Land Fitness

Hot Barre Fusion- A perfect blend of Barre and strength to bring you a well rounded workout using different muscle groups. Are you looking for that class that challenges the muscles while shaking up your metabolism? Here it is!!

Barre Fusion- Barre fusion is an intense cardio workout formatted to be a heart pumping good time. It is designed to increase your cardiovascular strength while helping you to tone, sculpt, and lengthen your muscles.

Barre Pilates- Uses the ballet bar as a prop to balance while doing exercises that focus on isometric strength training combined with high reps or small range of motion movements. Barre Pilates has a Pilates style to give you a total body workout with strong core work.

Box and Burn Basics- combines boxing fundamentals and high intensity interval training for a total body burn.

Cardio Core- A total body workout with cardio and weight training. Increase your heart rate with a variety of step routines while toning your muscles using weights, body bars, bands and a core training to develop those "POWERHOUSE" abs.

Combat Fit- This class uses the techniques of boxing, weight lifting and calisthenics, to give you the best whole body workout. All levels are welcomed.

Dance and Tone- A combination of dance fitness, toning with weights and body weight. We rock out to current music and follow a pattern of dance fitness combined with toning throughout the entire class.

Early Morning Boot Camp- This early morning class will get you ready for the day! This class uses interval training that combines body-weight and strength training with aerobic elements. Participants get the calorie-burning benefits of high-intensity cardio, combined with strength training elements to sculpt muscle and build strength.

Fit Fix- This total body workout class will include circuits that focus on muscles, cardio, toning, and core. Techniques from strength and core training, Pilates, and lots of heart rate building, will all be incorporated for a great variety and fit to fix!

H.I.I.T.-High Intensity Interval Training is the interval method that will take you to the next level in your fitness goals. Working at a higher rate of intensity with a active recovery will burn more calories and increase your metabolism.

Making the Cut- Strength training is the number one way to build muscle. If you want to get the cuts and lines that more muscle can offer. If you are a long time weight lifter or this is your first class, this class will guide you through your journey of strength.

Mash Up- Maximize your results in less time with 3 classes in one! Experience a short, effective workout with variable intensity interval training (VIIT). This program features mind/body, agility/strength and high intensity interval exercises for 3 levels.

More Than Just Movement- Join Kristal in this inspirational and fun class that is geared towards functional fitness and breathing techniques. Most movements are done seated in a chair and moves are slow and gentle. Occasional standing exercise will be performed to work on balance. You will use hand weights, resistance bands, and balls to maintain and strengthen your upper and lower body.

Muscle Mania- A high energy class that incorporates giant sets, super sets and circuit training to train and tone muscles. An abs workout is included to help you develop a six-pack. All exercises can be adapted to any level.

Please Be Seated- Experience strength exercises for your upper body and core while sitting in a chair. Ideal for anyone that struggles with getting off the floor or even wheel chair bound.

Power Hour- This workout combines moderate/high intensity cardio training and weights to help build strength and power. Combining these two elements will define muscles increase fat burn, giving you the ultimate training you've been looking for. Modifications for all levels.

Power Lunch-Power up with Power Lunch in this weight lifting class that is for everyone. You will work all muscle groups through super sets, drop sets, and multiple types of training. This 45 minute class will strengthen your muscles while increasing your metabolism and burning calories. This no cardio class is perfect for that lunch time work out.

Senior Strength Training- Entry level weight bearing and muscle strengthening exercise class for seniors. Our instructor will help you modify the workout to meet your personal needs.

SHINE™- A dance fitness class rooted in traditional dance such as jazz, hip hop and ballet set to great Top 40 music. We take those functional moves and create dance routines that are easy enough for beginners yet challenging enough for the more seasoned dancer. The simplicity of the routines allows you keep moving and do less thinking.

Total Body Express- A class that will work your entire body in just 45-minutes. We will use dumbbells, body bars, TRX, fitness center and your own body weight.

Total Body Training- Increase your strength and endurance while improving your cardiovascular fitness in this highly imaginative, total body workout using dumbbells, body bars, bands, and a step.

W.O.W- Are you looking to change up your workout on a weekly basis? Then W.O.W (workout of the week) is the class for you! Each class will be different and fun! Example of classes are: Muscle Mania, Zumba, boot camp, Soul Fusion, yoga, cycle and more! We will announce what the class will be on our DRC Facebook page the Monday before.

Zumba- Latin and international music combined in dance routines to burn calories while having a blast!

Mind and Body

Chair Yoga- Experience strength exercises for your upper body and core while sitting in a chair. Ideal for anyone that struggles with getting off the floor or even wheel chair bound.

Early Morning Hot Piyo- Start your day out first thing with detoxing HOT PIYO that will give you energy for the rest of the day. Piyo flow will take you through an energizing sequence of poses that will strengthen you while lengthening your spine.

Hot Yoga- Step into our hot studio to sweat, detox and flow. The sequencing of this class incorporates core work to build heat within the body as well as outside the body. Teaching you to ground yourself in each pose, stimulating your mind and restoring your body.

Meditation and Stretch- Calm your mind, settle your body and find a softer focus to your day. Beginners to practicing mediators will benefit from this class. You will practice breath work and then progresses into a guided stretch with a ending in a mindful meditation.

Hot SOUL Fusion- You asked for it so here it is! Your favorite Soul Fusion in a hot studio. SOUL fusion improves strength, balance, and flexibility, and can help improve overall fitness levels. It is driven by music, movement, and motivation. Be ready to sweat in Hot SOUL Fusion, and you will leave with that detox feeling that burns calories for hours later.

Restorative Yoga- This practice is designed to restore the nervous system and help release deeply held tensions from the body and mind. Use props to support postures while gently stretching and strengthening your body.

Stretch & Strength- A stretching and toning class to work on improving flexibility, balance, coordination, and strength. It is designed to be a full body workout that will help you become a stronger you.

Strong Stretch- Work on the things that so many of us ignore like flexibility, mobility, core, balance, stability, and light strengthening.

Vinyasa Yoga- Bring peace and focus to your mind! Vinyasa is a flowing sequence of movement between Asanas. An Asana is a posture intended to elicit a specific response from the body. Combine them both and get a challenging and invigorating, fast paced flow that will strengthen and lengthen muscles and well as increase mobility in your joints.

Yoga- Hatha Yoga is the ancient technique of stretching with deep breathing to tone and shape joints and muscles. A total-body workout, practiced by any fitness level.

Yoga Foundations- In this class you will learn about breath work and how to use your breath to move through the sequence of poses. Learn to align, open and strengthen the body gradually while stabilizing the platforms of the feet and ankles, hips, pelvis and shoulder girdle. Class begins with general and targeted warm-up sequences followed by postures which are taught from their foundations using fundamental building blocks to enable students to explore the postures correctly, safely and to their own ability. All levels are welcomed.

Yoga Yin- Focuses on the deep connective tissues of the body, stretching them gently through mostly seated postures that are held for a longer duration of time. Yin is the perfect complement to other forms of yoga that are mostly muscular engagement. All levels.

Water Fitness

Aerobic Waves- This shallow water class provides a great cardiovascular workout, increased flexibility and enhanced strength without stress on your joints.

Aqua Challenge- Challenge your body while working out with the low-impact benefits of water. This course will utilize challenge methods such as Tabata and Pyramids; with aquatic equipment to burn calories, increase your cardio endurance, strengthen muscles, and improve flexibility and overall balance. Find your own baseline and learn how to build to your personal best.

Aqua Zumba- Aqua Zumba incorporates all the fun of Zumba high intensity dance movements and Latin music with the gentle support of the water.

HIIT The Water- Enjoy a high intensity cross-training in the shallow end! This non-impact workout will take you to the next level of fitness. The focus is cardiovascular and strength training using various equipment and movements. This class is designed for all fitness levels.

Pumping Water- A variety of equipment and tempos will be used to increase the resistance for your upper and lower body as you move through the water. Add in the cooling and increased circulation benefits of the water workout and you will find one of the best strength training workouts available.

Tabata Waves- Tabata is an interval workout that will challenge you! This intense class utilizes the Tabata Fitness Protocol of 20 seconds work followed by 10 seconds rest and repeated 8 times. The water will give you that increased intensity while protecting your joints and keeping your body cooler than it would on land.
